The Contractor shall be responsible for all legal costs incurred by the Owner or Lender to enforce this contract or collect funds owed to the Lender or Owner.

Requests for payment received after these dates will not be processed until the next period.** The minimum partial payment request shall be \$5,500. The Contractor shall, at the Owner's request, furnish satisfactory evidence that all obligations of the hereinabove designated have been paid, discharged or waived. By paying any unpaid bills of the Contractor, the Owner shall be deemed the agent of the Contractor, and any payment so made by the Owner shall be considered as a payment made under the Contract by the Owner to the Contractor and the Owner shall not be liable to the Contractor for any such payments made in good faith.
